

Situation Report TD09F- 06
8am- Thursday 9 February 2017

Re: TD09F Situation Report No. 6 as at 0800 Hours – Thursday 9 February 2017

This situation report is to advise of the status of FRA's assets due to the effects of TD09F.

- Queens and Kings Road are open to traffic.
- There are still a number of Irish crossings flooded at the moment. FRA contractors will carry out reinstatement work as the water level recedes.
- Increased number of potholes on the road network and the FRA contractors have commenced remedial works. Motorists are advised to drive with caution during this time.

Members of the public can contact FRA on 5720 if they have queries regarding the affected roads and crossings.
