

Emergency Rescue & Medevac Service Level 1 Trauma Care Unit

Helipro is the provider of MedEvac, Search & Rescue and Evacuation Services to the Fijian Islands. Helipro is accredited with major international travel insurance companies ensuring that patient retrieval is enacted as quickly as possible.

Our bases are strategically located to allow us to quickly pick up Navy Rescue Divers and specialist medical staff from Colonial War Memorial Hospital in Suva before proceeding to emergency situations.

Our Senior Emergency Medical & Rescue Team consists of a Medical Director, Senior Flight Nurse, Paramedic, Liaison Officer and highly trained ground staff ensuring the best possible patient outcomes. Helipro provides patient & family services in Fiji to ensure that there is always someone to assist. Helipro coordinates all aspects of patient recovery throughout the Fijian Islands and with its international partners, ensure patients are transported to overseas hospitals in the shortest possible time.

DQ-EMS delivering critically ill patient to the Colonial War Memorial Hospital Suva
