Re: Situation Report No. 1 as at 0800 Hours – Monday 15 January 2018

This situation report is to advise of the status of FRA's assets after the rain event over the weekend:

- **A number of roads in the Western Division remain closed and impassable at this stage.**
- Please do not drive into water of unknown depth and current as this can be life threatening. Please find alternative routes where possible and take extra caution.
- The FRA is closely monitoring the situation of the roads and we are urging the public to remain vigilant, tune into the local radio and listen to the advice of the emergency services.
- Members of the public are advised to contact FRA on 5720 or send an email to info@fijiroads.org should they have any queries.
