### **Radisson Blu Resort Fiji Awarded Number 1 Family Resort in Fiji for 2018**

The Radisson Blu Resort Fiji is once again the proclaimed winner of the Number 1 Family Resort in Fiji through the reputable Trip Advisor Travellers Choice accolades for 2018. This is the third successive year that the resorts innovative 'Yes I Can' service philosophy has achieved the Number 1 Family Resort positioning for Fiji, based on millions of reviews and opinions of credible travellers.

The Radisson Blu Resort Fiji is also awarded top positions in two other categories, Top 10 Luxury Hotels in Fiji and Top 5 Family Resorts in the South Pacific. "It is with great team work and the remarkable 'Yes I Can' service philosophy of the Radisson Blu Resort Fiji that we have been awarded the Number 1 Family Resort in Fiji since 2016. A Traveller's Choice award is a powerful benchmark in the industry being the world's largest travel site and the Radisson Blu Resort Fiji is the proud winner in three separate categories. This alone is a huge achievement for the team and very rewarding", says John Bendtsen, General Manager of the Radisson Blu Resort.

Surrounded by tropical beach, gardens and tranquil architecture, the resort takes great pride in the family friendly features, which include Fiji's only white water tunnel slide and four unique lagoon style swimming pools including an adult's only pool. All pools are climate controlled (heating and cooling) with UV shades over family, children and toddler's pools providing a wonderful experience for every family combination. Boasting the largest suites on Denarau with kitchenette, washing machine and dryer, the Resorts one bedroom suites are the ideal destination for a great family holiday.

"It is wonderful news to be recognised and awarded by TripAdvisor for another year and I thank the team for their passion and unbeaten spirit. At the Radisson Blu Resort Fiji we will work together not only to maintain the Number 1 Family spot in Fiji, but to improve our ratings in the South Pacific and in the world", says John Bendtsen.
