

GREENPRENEURS

A STUDENT ENERGY | YOUTH CLIMATE LAB | GLOBAL GREEN GROWTH INSTITUTE INITIATIVE

GREENPRENEURS IS A CROSS-CUTTING ACCELERATOR PROGRAM SUPPORTING YOUTH-LED NEW AND EMERGING SOLUTIONS TO GLOBAL SUSTAINABLE DEVELOPMENT CHALLENGES.

WHY YOUTH INNOVATION?

Youth are the engines of innovation who are ready to contribute solutions for a healthy environment, safe climate and thriving clean economy. Young people are a well of ambition, and can be incredibly creative when it comes to forming new solutions. **Greenpreneurs** unlocks, accelerates, and supports the natural innovative tendencies of youth to foster a generation of climate and development leaders that are collaborative implementers of green solutions.

GREENPRENEURS: ACCELERATING YOUTH INNOVATION

GREENPRENEURS is a **twelve-week virtual global competition** open to **youth between the ages of 17 and 35 from GGGI member countries**. Submit your business proposal for a solution that positively impacts the future of sustainable energy; water and sanitation; sustainable landscapes (forestry and agriculture); or green city development.

These priority themes reflect the urgent issues impeding growth in developing countries in the context of green growth, climate change, and Sustainable Development Goals (SDGs). Compete with 15 global teams for the opportunity to win seed funding, mentorships, internships, and conference bursaries - designed to take your ideas from conversation to maximum impact.
