Corporate cocktail

By **MONIKA SINGH**

WARWICK Fiji hotels and resorts held a corporate cocktail function at Cafe Noir in the Capital City last month.

The event was aimed at thanking the corporate clients and business partners of the Warwick Fiji and its

sister properties — Naviti Resort, Tambua Beach Resort and Tokatoka Resort — and provided an opportunity for the executive staff members to network with the clients.

Warwick Fiji area general manager Tim Bathke said the event was a success.
